## **eRAD, Inc. Scores Ten in October**

**November 16, 2007 Greenville, South Carolina** – eRAD, Inc., a leading provider of radiology workflow solutions has recorded ten sales during October 2007. The customers are located across the United States and represent various types of imaging operations who will be using the eRAD PACS products to improve the patient treatment cycle while enhancing their business.

Some of the sites included are: Orthopedic Imaging of Lafayette, Louisiana; Hammond Clinic in Munster, Indiana; El Centro College in Dallas, Texas; McCall Memorial Hospital in McCall, Idaho; Murdock Family Medicine in Port Charlotte, Florida, and SSP Partners Imaging Centers in Pennsylvania.

To learn more about eRAD and new eRAD products visit Booth 8538 at RSNA 2007.

### **About eRAD**

eRAD® and Image Medical® were founded separately in 1999 and merged in 2001. eRAD offers a standards-based, web-centric image management solution using leading-edge technology. eRAD PACS web-accessible archive, and workflow solutions are installed in over two-hundred twenty-five customer sites throughout the USA. eRAD's PACS and RIS solutions integrate full-featured RIS/PACS and image management with workflow tools for hospitals, clinics, imaging centers and physician practices. For more information, visit [www.erad.com](http://www.erad.com).
